Design Activity

Step 1: Design an ideal phone for your partner (2 minutes)!

Sketch your idea here!  Describe your idea here!
Design Activity

Step 2: Now, interview your partner about what they’d like in a phone (2 mins each)  Step 3: Let your partner add to your notes (1 min)

Notes from your interview (things they want the phone to do, how the phone can meet their needs, features they don’t want, etc.):

Notes your partner feels like adding:
