EN 121: Catalog Searching Tricks

- **Search Fields** -- Searching different fields gives you different results (KEYWORD, TITLE, SUBJECT, etc.)

- **Local vs. I-Share** -- Local is our catalog / I-Share contains items in other libraries; more results with I-Share
**EN 121: Catalog Searching Tricks**

- **Quoted Search** -- Use quotes [“ ”] when you need a particular phrase searched together; fewer results

- **Wildcard** -- Use the star [*] character to search all possible variants of a base word; more results
  - Example: (republican) vs. (repub* → repubLIC, repubLICAN, repubLICANS, repubLISH, etc.)
