# ILLINOIS COLLEGE LEGACY PLAZA

## Remember the first time you saw the names etched into the facade of Sturtevant Hall?

These bricks are like well-worn pages telling the history of IC. Generations of students have carved their initials in the brick, leaving their mark on one of the most iconic buildings on our campus.

Now you can follow in the tradition of etching your name on campus. Leave your legacy or honor someone from the IC community and inspire today's students with a lasting reminder of those who came before them.

Purchasing an engraved brick in the heart of Historic Upper Quad is a great way to honor your time at Illinois College or a special team, organization, family member, professor or someone else who made a difference in your life at the College.

### LEAVING YOUR LEGACY ON CAMPUS IS EASY:

- Choose your brick size.
- Submit your message to be etched into the brick.
- Enjoy your brick prominently displayed in the Legacy Plaza at the heart of Historic Upper Quad.

Help Illinois College build a pathway to achievement through the Illinois College Brick Campaign. Proceeds benefit the IC Fund and make an immediate and lasting impact on students ensuring they Graduate READY for personal and professional success.

**THE NUMBER OF BRICKS IS LIMITED. Order today to secure your legacy on the IC campus.**
