ILLINOIS COLLEGE

Illinois College is a small, residential liberal arts college, offering an exceptional education on a safe and beautiful campus. As a member of the prestigious Phi Beta Kappa Society and ranked as a top liberal arts college by U.S. News & World Report, Illinois College is certain to provide you with a unique educational experience that will prepare you for your chosen profession.

PERSONALIZED ATTENTION

The average class size is 17 students. This allows Illinois College to approach academics in a way that maximizes your learning potential with one-on-one support from dedicated faculty and staff. You'll have the ability to tailor your educational experience to your specific needs — an education based on what employers have told us they want to see in graduates. You will also have the opportunity to build strong relationships with your professors, who will mentor and guide you throughout your years at IC, and prepare you for your career after graduation.

"Being an international student at Illinois College has been an incredible journey of personal growth and cultural exploration. Here at IC, I have formed the most meaningful relationships with friends, professors, staff and community who have been beyond helpful, kind and generous. I had the chance to explore many different areas, get experience and discover what I am good at. I am beyond grateful to everyone who was part of my Illinois College experience and equipped me with the skills to make an impact in the world."

GET READY TO BE TRUE BLUE

The application process at Illinois College is all about you. We focus not only on your academics, but on your accomplishments outside the classroom as well. This comprehensive review not only recognizes your preparation for college, but your potential merit-based scholarship as well.

1. APPLY FOR ADMISSION

Complete your free application at admission.ic.edu/apply, www.commonapp.org, and www.mycoalition.org.

2. SUBMIT YOUR TRANSCRIPT

Submit an official secondary school/high school transcript translated into English that indicates academic achievement. Official, translated college/university transcripts are required if the student is transferring from another undergraduate institution.

3. SUBMIT TEST SCORES

Submit a TOEFL, IELTS, CEFR, PTE, GTEC, Duolingo English Test, ACT or SAT test score.

Students whose language of educational instruction was primarily English do not need to provide a language proficiency score but are required to provide an ACT or SAT score. Illinois College will also recognize successful completion of an English language program in lieu of an English language proficiency exam.

To learn more about recommended minimum test score requirements and Academic Bridge Program minimums, visit ic.edu/international/admissionrequirements.

WHY I CHOSE IC?

"Illinois College is a warm and welcoming place. It is a community dedicated to ensure the comfort and security of its students so they can grow, prosper and create memories of a lifetime. It simply feels like home."

Beamlak Hiltework '26

Addis Ababa, Ethiopia

"Illinois College's small campus environment provides a one-on-one class experience with the professors which is extremely helpful. The best part about IC so far has been that I've met some of the nicest and caring people and made some very close connections which I'll have for the rest of my life."

Sarthak Bagga '20

Yangon, Myanmar

"My research experience translating medical manuscripts blends the humanities, ancient languages and history. I hope this work will manifest my passion in medicine and inspire fellow students and scholars when it is published."

Luigi Erba '20

Como, Italy

"My favorite things about IC are the diversity of the campus, the knowledgeable professors, academic atmosphere, and the small campus. I was worried about being homesick, but everyone here is welcoming and ready to listen to your story; you will feel at home right away."
