**CARES Act Policy Statement on distribution of Emergency Financial Aid Grants to Students** (Approved by Cabinet on April 27, 2020.)

The Coronavirus Aid, Relief, and Economic Security (CARES) Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education to provide emergency financial aid grants to institutions of higher education. Section 18004(c) of the CARES Act requires the recipient institution to use no less than 50 percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to the coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care). Illinois College will administer these funds in accordance with its "Funding Certification and Agreement for the Emergency Financial Aid Grants to Students under the CARES Act," dated April 10, 2020.

Section 18004(c) of the CARES Act allows the recipient institution to use up to 50 percent of the funds received to cover any costs associated with significant changes to the delivery of instruction due to the coronavirus so long as such costs do not include payment to contractors for the provision of pre-enrollment recruitment activities, including marketing and advertising; endowments; or capital outlays associated with facilities related to athletics, sectarian instruction, or religious worship ("Recipient's Institutional Costs"). Recipient institutions may, but are not required to, use funds designated for Recipient's Institutional Costs to provide additional emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus. If the recipient institution chooses to use funds designated for Recipient's Institutional Costs to provide such emergency financial aid grants to students, then the funds are subject to the requirements in the "Funding Certification and Agreement for the Emergency Financial Aid Grants to Students under the CARES Act," dated April 10, 2020.

In accordance with the Act and following the subsequent guidance provided by the Department of Education as of April 27, 2020, Illinois College calculated emergency financial aid grants for eligible students for distribution on May 1, 2020. Students were determined to be eligible to receive emergency financial aid grants if they met the following four criteria:

1. Not 100%-online student in spring semester 2020.
2. Lived in campus housing in spring semester 2020 prior to March 13, 2020.
3. Departed campus housing before April 8, 2020, due to concerns about the pandemic.
4. Met criteria for Title IV eligibility: Section 484 of the HEA states that Title IV eligible students must:
  - Be enrolled or accepted for enrollment in a degree or certificate program.
  - Not be enrolled in elementary or secondary school.
  - For currently enrolled students, be making satisfactory academic progress.
  - Not owe an overpayment on Title IV grants or loans.
  - Not be in default on a Title IV loan.
  - File "as part of the original financial aid application process" a certification that includes a statement of educational purpose.

<b>March 13 - March 22, 2020</b>	<b>40%</b>
<b>March 23 - March 29, 2020</b>	<b>33%</b>
<b>March 30 - April 7, 2020</b>	<b>26%</b>
